++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry and settled over the next few days.

This Evening and Tonight:
A bright end to the day with some sunshine for many. Staying mainly dry overnight but becoming somewhat cloudier, particularly in the north of the country. A few mist or fog patches are possible, mainly in the south. Becoming chilly. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Any fog patches clearing, then much of Wales having another dry day. Skies will be cloudier than on Monday and some light rain is possible in the north at times. Maximum temperature 17 deg C (63 deg F).

Outlook for Wednesday to Friday:
Staying largely dry on Wednesday and Thursday with sunny spells, once overnight mist and fog patches have cleared. A chance of some rain on Friday. Feeling warm in the sunshine.
